

Information for Grand Superintendents

It has been felt for some time that there is a need for education related resource material to be made readily available to the Grand Superintendents. A Grand Superintendent has a lot on his plate, including a Chapter of Instruction pertaining to the Work and Administration of Chapters in his District. For some Grand Superintendents, this task is challenging, especially if he has no material readily available or no qualified member to delegate this responsibility to.

Without competent and effective working of degrees, candidates will not receive a clear imprint of the lessons in them, and they will not be encouraged to elevate and strengthen the fabric of their characters. And without proper protocol and etiquette, we may by our awkwardness embarrass, offend or annoy our fellow Companions.

In assembling collected material from educational seminars conducted over the years we hope to assist Grand Superintendents with some of the more frequent Chapter events; for example, Visitors. The reader is directed to the Protocol & Etiquette Handbook for guidelines for the less frequent events such as the Reception of the Grand Council.

As the Representative of the Grand First Principal within the district it is vitally important that the traditional high standards of the Order be maintained. The activities such as that of receiving of a Petition of Degrees or an Application for Affiliation must be conducted by the Constitution of the Grand Chapter of Royal Arch Masons of Canada in the Province of Ontario.

Grand Superintendents are encouraged to present education and to submit additional educational topics that may be used for the benefit of everyone.
